RG104 E-1 Box 134 Apr-July 1885

Mint of the United States at Philadelphia,

MELTING AND REFINING DEPARTMENT,

Philadelphia, 27. July —, 1885.

Sir,

I have just received a card from a Mr Brown, agent for the Jos. Dixon Crucible Co., and he asks me to try the Dixon Crucible with others. As I am not aware that the contract for crucibles has been given out, I respectfully suggest that I try the samples of the three or four firms, who have offered. viz. Dixon, Seidell, Taylor, & Ross. Our custom is to try a few melts of 5cent-metal in each Crucible, say three melts, or one-days work.

Respectfully yours

Jas C Booth

Hon. D. M. Fox, M. T. R.

Superintendent.
